Dear Fellow Striker:

In a recent board decision, Precision Strike Association is now offering complimentary memberships to all military and government employees. The Precision Strike Association (PSA), a nonprofit organization, has been the leading advocate of precision strike since its inception in 1988. Our symposiums offer interactive discussions featuring DOD decision makers and key industry leaders. These thought provoking events address the issues facing the precision strike world of today and the possibilities that exist in the realm of what might be. As a clearinghouse for precision strike thought and purveyor of the cutting edge in the community, PSA seeks to energize industry/government dialogue, to improve industry's comprehension of government needs and to increase government awareness of industry's capabilities as the precision strike world evolves beyond weapons and platforms into effects based operations that are enabled by net centricity.

As a member of PSA, you will be entitled to participate in every one of these captivating conferences plus all NDIA events at reduced member rates. You will also receive our quarterly Precision Strike Digest and a monthly subscription to NDIA's National Defense business and technology magazine. All of this is available to you for a three-years complimentary. Simply complete the application below and fax to Dawn Campbell - Director of Operations. Please feel free to contact our office if you have any questions. Show your commitment to the precision strike community and JOIN TODAY!
